HANGER AND SIZE CLIP LEADTIMES

Vendors must order both hangers and size clips. Size clips are not automatically included in hanger orders. Vendors must specifically request/order them both. When ordering hangers and size clips, vendors **MUST** use ShopKo item numbers **ONLY** (as per the following pages). Vendors must order hangers and size clips from Mainetti.

To ensure your order is processed correctly, please follow these simple steps:

- Make supplier aware that you are ordering for ShopKo
- Provide supplier with specific hanger style #
- Provide supplier with specific size clip style # and necessary sizing information

The supplier does keep minimal stock of more popular hanger styles and size clips and therefore lead-times may be less than stated below.

HANGER AND SIZE CLIP LEADTIMES				
SUPPLIER	DOMESTIC		INTERNATIONAL	
Mainetti*	Hangers	5 Working Days	Hangers	8 Working Days
	Size Clips: Girls Plus Boys Husky Womens Plus and Ladies Petite, Average, and Tall	15 Working Days`	Size Clips	18 Working Days
	All Other Size Clips	10 Working Days	Size Clips	18 Working Days

* You must allow an additional 14-day lead-time if you request size clips to be placed on hangers prior to shipping. Please review ShopKo's Color Size Chart for the proper size clips to order, which can be found on the following pages.

**THE ABOVE LEADTIMES ARE PRODUCTION LEADTIMES AND DO NOT INCLUDE CUSTOMS CLEARANCE OR VESSELS SAILING

* If ShopKo Color Size Chart does not support the sizes your company will bring in, please use a White size clip with Black lettering.

FOAM STRIPS

Foam Strips are required for sweater knits with necklines that exceed 9" in width.

Foam Strips **MUST** be ordered from ShopKo's preferred Supplier Mainetti. The order number is F600 and should be ordered in the color grey only.

RUBBER GRIPPERS

Rubber Grippers are required for knit and woven tops with necklines that exceed 9” in width.

Rubber Grippers are to be ordered from ShopKo’s preferred Supplier Mainetti. The order number is PGrab. (Note: 2 grippers are required for each hanger).

SHOPKO’S RE-USE HANGER PROGRAM

As a socially responsible company, ShopKo is making steps toward reducing our carbon footprint on the environment. We have partnered with our hanger supplier, Mainetti, to implement a hanger re-use program. Hangers, not wanted by our customers, are collected at our stores, shipped to our DCs, passed to a sorting facility where they are organized, and shipped back to China. These hangers are then re-sold to our garment manufacturers. This process allows for perfectly good hangers to be used repeatedly versus being thrown away. Additionally, the re-use program eliminates the need for hanger factories to use energy making new hangers. The re-use program will also help to insulate our vendor community against cost increases on hangers. The expectation is that hangers can be re-used approximately seven times before they will be ground down and recycled into new hangers. Please help in our efforts to reduce waste by complying with our floor ready requirement of ordering hangers from Mainetti.

SHOPKO’S HANGER COLOR PROGRAM CHANGE

As a reminder to earlier communication sent out, ShopKo’s hanger colors have changed. Effective for goods arriving in our stores on 8/1/2012 or later, Ladies, Men’s, Girls, and Boys hanging programs are to be shipped on black hangers. NB/INF/Toddler hanging programs are to be shipped on white hangers.

SHOPKO’S HANGER DESIGN CHANGE

Effective for goods arriving in store 1/15/2013, ShopKo’s new hangers are to be used.

The following pages illustrate the approved hangers available from Mainetti.
