

LAW LABEL REQUIREMENTS

Vendor is responsible for actual cost, plus shipping, handling and applicable duties and tariffs.

Filled products (for example: bedding, toys, furniture, etc) sold in the US require a law label. Additionally, there are states that require registration of such product and states that do not require registration. Where registration is required, it is the vendor's responsibility to obtain registration.

The following is an example of the format for law labels:

OPTIMUM SIZE IS 6 ¼ INCHES (LENGTH) X 3 INCHES (WIDTH).
 -IF THIS SIZE DOES NOT SUPPORT ALL REQUIRED INFORMATION,

 VENDOR COMPLIANCE BEFORE ANY CHANGES ARE MADE.

Any questions regarding law labels should be directed to Vendor Compliance.
